How the TAX CREDIT can help you and the school of your choice:

This is an excellent way to help a school of your choice for extracurricular activities or character education programs *and* help you with a tax credit.

According to A.R.S. §43-1089.01: "Single" or "Head of Household" tax filers can receive a tax credit of up to \$200 and "Married Couple Filing a Joint Return" can receive up to \$400. Please consult your tax advisor for specific details on how this could benefit you. Contribution amounts less than the maximum allowance such as \$20, \$50, or \$100 are gladly accepted. Taxpayers do not need to have children in school to make a contribution.

Deadline to take advantage of the TAX CREDIT:

This form and donation must be returned to Valor ahead of the Arizona Department of Revenue deadline for the selected tax year in order to apply to the State of Arizona taxes filed that year.
