Phone: (623) 298-4520

Valor Preparatory Academy records are open to public review unless otherwise exempted from disclosure by District policy, Federal law and Arizona state laws. Documents protected from disclosure are listed online with the [Arizona Attorney General's Office](#).

Transcripts and student records are not public records and should be requested by contacting the last school of attendance.

A fee shall be levied on each request to cover the cost of making copies. The fees will be collected prior to releasing material.

The fees will be based upon the following:

- 50¢ per copy for materials indicated as Board minutes, agendas, financial records, contracts, courses of study, or statistical summaries.
- 50¢ per copy for materials not listed above that require additional clerical and/or professional staff time to make available.

Actual cost, if available, will be assessed.

- If requesting electronic delivery, records may be downloaded to a 16GB thumb drive. Thumb Drives are \$8; postal fees assessed for mailing these items. In the event that items are returned to sender, an additional postal fee is assessed to resend items.

Free copies shall be furnished if they are to be used in claims against the United States

- Access to or copying of the records request will be provided within a reasonable period of time in compliance with Arizona public records law following receipt by the District Records Department.
- Valor will work to fulfill requests within 20 business days; when possible. Actual processing time may widely vary depending on the amount of requests received and the difficulty of accessing the requested information.
- To reduce processing time, narrow your request with specific details and timelines for public information.
- If access is denied, a written statement of the grounds for denial will be provided.

Requesting Public Records for Commercial Purpose:

When a person or entity requests public records for a commercial purpose, the person shall provide a statement setting forth the commercial purpose for which the records will be used. Upon being furnished the statement, the Executive Director may provide reproduction of such requested records. The charge for such records shall include the following:

1. The cost for the District to obtain the original or copies of the documents, printouts or photographs requested.
2. A reasonable fee for the cost of time, materials, equipment and personnel in producing such reproduction.
3. The value of the reproduction on the commercial market as best determined by the Executive Director.

Under ARS 39-121, a person who obtains a public record for a commercial purpose without indicating the commercial purpose or who obtains a public record for a noncommercial purpose and uses or knowingly allows the use of such public record for a commercial purpose shall in addition to other penalties be liable to the state or the political subdivision from which the public record was obtained for damages in the amount of three times the amount which would have been charged for the public record plus costs and reasonable attorney fees.
